

## Cobblestone Creek Reviews & Testimonials

It was a perfect venue for the event. I really appreciated the sessions in different rooms and the fact we didn't have to walk all over a large campus to do so. The space is beautiful. I felt like I was visiting someone's home rather than a conference center. The view is wonderful and all the window's gives you the feeling you are part of nature rather than in a dark meeting room. And the staff... Everyone was so accommodating. I know we made last minute changes and all requests were met with a smile.

The food was delicious! No bland conference food, but more like home cooked meals. Kudo's to the chef. The bar area is especially cozy and the bartenders treated us like we were friends in a pub. Special thanks to Stella. She was so helpful and kind. It is evident she loves working there by the way she treats visitors. A few of us set up a work zone in the bar area on Wednesday while we were waiting to present and Stella took such good care of us. It was so appreciated after two busy days.

After our experience at Cobblestone Creek, I will definitely recommend it to other groups at [our company] and look forward to our next meeting there.

We had a terrific experience with the entire personnel at Cobblestone Creek County Club and I'm extremely grateful for making my daughter's Quinceanero memorable! It's a week later and I'm still getting text messages, e-mails and phone calls from family members and friends who can't say enough about the venue, the food and the attention to detail. We have loved ones who came from Puerto Rico, Florida, North Carolina, Delaware, Maryland, Virginia, New York, Boston and Philadelphia and everyone had a wonderful time.

Thank you for your flexibility on the days leading to the event and for all the guidance and support. Even the club members who were around that day made us feel welcomed, even took pictures for us on our cell phones and complimented us on how nice everyone looked during the special occasion.

"For the last 15 years I have been bringing guests, friends and clients to Cobblestone Creek CC (formerly Greenacres CC). This year has been the best in terms of the community vibrancy, staff attention to details, and level of excitement. With a friendly greeting, knowledgeable staff, fine food, comfortable amenities, my guests feel at home and never feel intimidated. Everyone wants to come back and play again."

"My organization plays and hosts golf outings at several courses throughout the year and our past experiences at Cobblestone Creek (formerly Greenacres) has been nothing but exceptional. After reviewing various options, we decided to join Cobblestone Creek and turned out to be the best decision. My family is enjoying the new golf course as well as all the non-golf events that are pretty unique and interesting. All the members are very friendly, welcoming and the staff is not only professional but also pleasant and makes us feel at home."
